

Don't invest debt or equity into another Cannabis Business without our SmartReview™

Cannabis Investors/Accelerators/Incubators/Startups: Clever marketing phrases do not serve as superior knowledge in the legal and tax worlds. There's a federal wall on the freeway. Learn how to deal with it.

Don't invest debt or equity into another Cannabis Business without our SmartReview™ to learn how to:

1. maximize tax deductions, legally;
2. maximize cash flow and ROI;
3. mitigate law conflicts and legal risks.

Are you certain you are in the most advantageous positions regarding:

- a. **Leases:** does your lease deconflict law conflicts; does your lease integrate with your lines of business, taxes and legal protections?
- b. **Buildouts:** does your layout and construction buildouts really favor your economic, tax, business and legal positions?
- c. **Entity Structure:** does your entity structure really mitigate taxes, liability, and law conflicts?
- d. **Lines of Business:** have you really made an integrated choice of your lines of business?
- e. **Taxes:** have you integrated your business into a tax favored structure?
- f. **Lock-Away Private Bank:** have you considered an integrated structure to lead into a safe and lawful private bank?
